

Do you really know who you're hiring?

Everybody has a past. It just makes sense to know all you can about your prospective employees. And now, GACS can help with that. By partnering with Information on Demand, Inc., we make it easy. You can get the information you need to make your hiring decisions through a simple and affordable criminal background search.

Our services include:

- Searches on the state and local levels
- Education and employment verifications
- Social Security number verifications
- Credit Reports
- Motor Vehicle record searches
