

Sponsorship Opportunities

A unique, engagement opportunity for sponsors: To maximize networking and education time, each Lunch and Learn meeting is available to a limited number of sponsors:

Level One: Three companies may sponsor each meeting; sponsorship includes a table top exhibit, a speaking opportunity or have your company name on the name badges, and registration and lunch for one guest. \$500 for one OR \$1000 for three (two in one city) OR \$1250 for four (one in each city)

Level Two: In addition, up to five companies may sponsor at a lower level; this sponsorship includes providing a gift item or product, and registration and lunch for one guest. \$100 for one OR \$200 for three (two in one city) OR \$300 for four (one in each city.)

Competing sponsors are not permitted at the same Lunch and Learn meetings; we want to ensure sponsors have quality time with meeting attendees. Please contact **Sharon Shuford:** sshuford@gacs.com or **Jennie Nessor:** jennie@gacs.com for more information about these sponsorships. Or, complete this form and fax to **770-736-9725:**
