

13th Annual McDonald Oil Company Golf Classic FOR MDA

LaGrange, GA 9/20/2018— The Muscular Dystrophy Association announced that the 13th Annual McDonald Oil/Summit Stores Golf Classic to benefit the children and adults affected by muscle disease in the LaGrange and surrounding areas was held on September 20th at the Highland Country Club. The event raised over \$40,000 and there were over 80 golfers in attendance.

“Thank you again, Tim Huff and McDonald Oil Company for hosting another outstanding golf tournament for MDA and the families we serve! We are so appreciative of all you do for these families, year after year”, said MDA Development Director, Kelsey Lanford. “They also participate in MDA’s National Shamrock campaign in February and March. Local residents can visit their Summit Stores and buy a Shamrock for \$1 or \$5 to help MDA families in Columbus and LaGrange”, reports Lanford.

The money raised helps provide services to patients with muscle diseases. It helps provide a summer camp for children ages 8-17, it supports MDA’s worldwide research program and national network of 150 medical care centers, including the MDA Care Centers at Emory and Children’s Healthcare of Atlanta in Atlanta, GA.
