## GACS / Columbus Convention & Trade Center (CCTC)

### Orders and Directives from the Columbus Convention & Trade Center

GACS will work directly with the Columbus Convention & Trade Center (CCTC) to provide electrical services, as well as services such as ice, bartenders, and any other catering specific needs. All services will be billed by GACS to the exhibitor; GACS will provide a master list of orders to the CCTC.

**Deadlines: All orders for the CCTC must be placed and paid in advance by OCTOBER 1, 2026.**

### MISC ORDERS

Place advance orders on your booth registration form or email GACS, Nancy McPherson (nmcpherson@gacs.com) for orders **BEFORE OCTOBER 1, 2026**.

- Ice: \$5 per 20lb bag
- Bartender (required for anyone serving alcohol): \$250 for length of show
- WiFi: Available to all exhibitors at no charge. If you need a hardline or dedicated line, please contact GACS / Nancy McPherson for a quote.
- For catering requests such as refrigeration, kitchen services, etc. please contact GACS, Nancy McPherson, for a quote.

### BOOTH ENHANCEMENTS

- The Columbus Convention Center is NOT carpeted; it is a finished concrete floor which coordinates w/ the industrial, historical Iron Works facility. Exhibitors are welcome to order carpet from our trade show services provider, RPM.
- Additional items such as carpet, furniture, in-bound and outbound freight: refer to GACS Trade Show Kit provided by the GACS trade show services provider, RPM. Kits will be emailed to all exhibitors in early 2026 or by request.

### ELECTRICAL ORDERS:

Standard electrical hookup: 120v / 20amp, \$175 each (allows for 2 items to be plugged in); order multiple outlets as needed.

For more extensive power needs and/ or power strips, extension cords, etc. and please contact GACS / Nancy McPherson for a quote.

### THE FINE PRINT FROM THE COLUMBUS CONVENTION & TRADE CENTER:

- > Wall, column, and permanent building utility outlets are not a part of booth space and are not to be used by exhibitors unless specified otherwise.
- > All equipment, regardless of power source, must comply with all federal, state, and local safety codes. 6. Use of open clip sockets, latex or lamp cord wire, duplex or triplex attachment plugs in exhibits is prohibited.
- > Under no circumstances shall anyone other than Trade Center staff make electrical connections.
- > Special equipment requiring electrician or technicians for assembly, servicing, preparatory work and operation may be executed without Trade Center staff; however, all service connections and overload protection to such equipment must be made by Trade Center staff.
- > All equipment must be properly tagged and wired with complete information as to type of current, voltage, phase, cycle, etc.
- > All material and equipment furnished by the Columbus, Georgia Convention and Trade Center for this service order shall remain the Trade Center's property and shall be removed by our staff at the show close. Exhibitors will be billed for all missing materials.
- > Electrical power for lights and displays will be turned on one hour prior to the show opening time and off at show closing time daily unless you have requested and paid for 24-hour service.
- > Unless otherwise directed, Trade Center electricians are authorized to cut floor covering to permit installation of service.
- > All exhibitor's cords must be of the 3-wire grounded type. All exposed noncurrent carrying metal parts of fixed equipment, which are liable to be energized, shall be grounded.
- > Rates quoted for all connections cover only the bringing of service to the booth in the most convenient manner and does not include connecting equipment or special wiring.
- > Water Hookups: If there is a portable sink or vessel for the water, we can get water to where it is needed. We do not have an option for a spigot at the booths.
